

MARCH 2010

Welcome Note from the Committee

It is our pleasure to welcome you to the 2010 Netball Season.

The 2010 season will continue to the clubs success of last year. All of our teams are committed to the highest levels of sportsmanship and fair play – regardless of the score. In 2010, the club will focus on building a closer understanding of the needs of our players, parents and those of the FNA.

As a Committee, we are very mindful of maintaining costs at a reasonable level to ensure players of all skills and levels can participate with our club. There is a small increase in this year' s fees, largely due to an initiative taken last year to roster paid umpires for each game. This was a great success throughout last year and we will continue with this throughout the 2010 season.

Off the court, the on-going success as a club would not be possible without the commitment and dedication of all the voluntary help we receive from our members. We wanted to highlight to you that there are some key roles that are still vacant including: umpiring coordinator, coaching coordinator and several general committee positions. We would urge you to take a moment to consider being involved with our club and help contribute to our success. Please contact us if you would like to discuss any of these positions.

The Committee would like to thank the Brindle family from IGA Canning Bridge for their continued support of our club.

We look forward to seeing you throughout the 2010 season and building on our clubs proud tradition.

Yours Sincerely

Tingara Netball Committee 2010

MAY 2010

Hello Tingara Members,

It was great to see so many enthusiastic and happy players down at Fremantle for the season start. We would like to take this opportunity to wish you an enjoyable and successful season. As the season is now under way there, are some areas we need to update you on. They are as follows:

- We would like to welcome to the Committee Keryn Rae in the role of junior umpiring co-ordinator and Julie Kendrick as senior umpiring co-ordinator.
- Congratulations to the following girls who were selected to play in the FNA representative teams: Emma Calder, Zoe Fisher, Dylan Bain-Price, Simone Joyce, Sofie Pontre, Emily Carver-Smith, Samantha Dallimore, Georgie Kirke, Mellery King and Olivia Lade. Well done girls.
- Thank you to all the coaches and managers who have volunteered their time. Your contribution is valued by Tingara. Your roles are important to encourage sportsmanship and promote activity throughout life.
- Tingara Netball Club was successful in its application to become part of the Healthway Healthy Club. At present, we are developing a Healthy Club policy. This will be promoted on our website in due course.
- Congratulations to Mickela Pinto for being accepted into the "Launch Up" umpiring program.

Please continue to support our young umpires. It can be a very daunting task for our umpires so let's encourage them by showing respect and offering positive feedback.

The Committee is seeking a volunteer to co-ordinate the end of season winds ups. We are also interested in any new ideas for the format of the windups, so please tell us if you have any suggestions.

Your 2010 Committee

JULY 2010

31.07.2010

Hello Tingara Members,

We are now in the final round of competition and we would like to wish you well for the rest of the season. The Committee would like to update you on news within the club and a few housekeeping points.

Congratulations to Dylan Bain-Price on being named as Player of the Year in the U12/4 Fremantle Representative team. Well done Dylan.

Congratulations also to Lori Patterson who took her team (JG1) to the Kalamunda Netball Carnival. The girls were undefeated, a great achievement for the coach and her young team.

Tingara was successful in applying for a Healthway, Healthy Club grant. The money has been used to purchase goal post protectors, drink bottle carriers, coaching literature and ice packs. Please contact Jane Lade, coaching co-ordinator, for use of the coaching material. The committee are also working on a health policy as part of Healthway, Healthy Club requirements. This will be of great value to the club in the future.

With your safety and well-being in mind there are now articles on the website regarding injury prevention. Thank you to Joe Carrello at Mount Pleasant Physio for writing these articles.

Plans are now underway for the club wind up and a provisional date has been set for Sunday the 19th of September. Details to be confirmed, but likely to be at Brentwood Primary School.

If you volunteered to help with social events on your registration form, Tracey Shaw, our secretary, will be contacting you to ask for assistance with the Windup. All help is greatly appreciated.

Please be advised that all Tingara committee positions will be available at the AGM on Sunday 19th of September. Please take the time to consider nominating for one of these roles, as we have a number of committee members not re standing for their positions in 2011.

Raffle tickets are now due for collection. Can you please return them to Helen Titheradge, our treasurer, as soon as possible.

Return of Fairest and Best slips have been great and for those who haven't handed them in yet please contact Hannah Adams, our records keeper.

We would also like to remind you that members' email addresses are not for personal use but for use within the club only.

To ensure you receive all club correspondence and updates, please advise our club registrar of any change of details.

Netball is the highest participation female sport in Western Australia, so it is good news that the Government has recently announced plans to fund the construction of a State Netball Centre. This will continue to enhance participation within our State and benefit the local clubs.

Our registration numbers are up this year and we hope to continue to develop the club into the future.

Best Wishes
Your 2010 Committee

SEPTEMBER 2010

07.09.2010

Good Afternoon to everyone,

As the President of the Tingara Netball Club I am very pleased to announce that 15 of our 23 eligible teams made the finals this year and I am looking forward to our teams' success as we move through the next few weeks of the finals. Tingara is a very successful netball club with a tradition of having many of our teams in the finals and this year is no exception. Well done to all of the teams that made the finals.

Our season is fast approaching its end and we are planning a Family Fun Day/Wind-up/AGM on the 19th of September. I hope that you have by now received your invitation/flyer to this event and I am looking forward to seeing as many of you as possible at the conclusion to another successful year.

As part of our Wind-up we will be running a short AGM from 2:30 - 3:00pm to give you all a snap shot of how our club is fairing after another great netball year. I would encourage you all to be part of this meeting. You may wish to discuss issues as part of the meeting or individually with the committee on the day. We have had a very hard working committee this year and several of the committee are now ready to hand over the controls to a new team to take the club forward into 2011.

As part of the AGM we will be looking for nominations from the Tingara community for the following positions:

President
Vice President
Registrar
Treasurer
General Committee

Any community club is only as strong as the people that help run it. I realise that we are all very busy with both work and our family commitments but I would like to encourage you to consider a position on the committee to help run this great club. Your children enjoy coming along to Netball each week and each year. They deserve to be part of a club that continues to succeed and has strong leadership to take it forward into the New Year. The organisation survives solely on volunteer effort; if you don't stand the club could fold. Please take time to duly consider these positions and offer your services to keep the spirit of the club alive.

Please be aware that the outgoing committee will assist with the handover and instruction on the procedures already in place.

Tingara is a strong and successful club and it needs your help to continue this great tradition.

Kind Regards

Simon Thomas
President - Tingara Netball Club

OCTOBER 2010

The 2010 netball season has now come to a close and Tingara Netball Club has had a very successful finals series.

Fifteen of the eligible twenty three Tingara teams made the finals. Of those, nine teams played off in the grand finals resulting in six eventual Tingara team winners. While we are very proud of the club's successes, each member is important and we hope to continue to develop the club so every individual can continue to grow and benefit.

The season wind-up was a whole club event this year and we would like to hear your feedback whether this is something we should pursue in future years. We were very fortunate with the weather and it was wonderful to have both Andrea Gilmore and Caitlin Bassett from the West Coast Fever team to present the club trophies. Please have a look at photos taken at the wind-up on the "*team page*" of our club website.

There were several committee positions left vacant at the AGM but we have now received nominations for each position. If they are accepted at the next committee meeting, Tingara will have a full committee for 2011. The committee members are your representatives - so please let us know what we can do to keep moving the club forward.

The registration pack for the 2011 season will be available in January, grading will take place in February and competition at Fremantle commences the 7th of May 2011.

Best wishes

The 2010 Tingara Netball Club Committee
