

2011 PRESIDENT'S LETTER

Welcome from the President

It is with much pleasure that I welcome you to the 2011 netball season at Tingara Netball Club.

The 2011 Committee aims to continue the Club's success of last year. All of our teams are committed to the highest levels of sportsmanship and fair play – regardless of the score. In 2011, the Club will focus on building a closer understanding of the needs of our players, parents and FNA.

In this pack, you will find some important information regarding the 2011 netball season. I strongly urge you to review the information contained in this pack and take the appropriate steps to register for the 2011 season.

As your Committee, we are very mindful of maintaining costs at a reasonable level to ensure players of all skills and levels can participate with our Club. Most grades will have a small increase in this year's fees, largely due to an initiative taken last year to roster paid umpires for each game. This was a great success last year and we will continue with this throughout the 2011 season.

Off the court, the on-going success as a Club would not be possible without the commitment and dedication of your Committee. I am delighted to advise that all positions on the Committee are now filled.

The Club website (www.tingaranetball.com.au) has lots of useful information for club members, including registration information, news and events, team information, fixtures, contact details, links to other associated websites, club history and the season calendar. We encourage you to use this website.

Members are reminded of their obligations to act in accordance with the various Codes of Conduct in playing netball for Tingara. Copies of these Codes of Conduct are available in the Fremantle Netball Association fixture booklet.

As a result of feedback from the Club members in a uniform questionnaire held in November, the Management Committee has decided that the Club should pursue a change to a new uniform for the 2012 season. Further details of the impending change will be made known as the new uniform is progressed during 2011.

On behalf of your Committee, I look forward to seeing you throughout the 2011 season and building on our Club's proud tradition.

Regards

Murray King
