Important Information:

1. Senior players and junior/U17 parents are expected to assist the club and will be asked to indicate during on-line registration where you can make a contribution to the Club as an umpire, coach, manager etc.
2. Tingara is a "grading, training, playing" club. Hence, it seeks to grade the strongest team possible in each grade and players are required to commit to training and playing every week.
3. Late registrations, including returning members who have not registered in time, will be placed on a waitlist for team selection. We may be able to open up additional teams if we have enough interest and waitlist numbers – please contact our Club Registrar to discuss.
4. Before completing the Club player on-line registration process, please read the terms and conditions carefully, particularly those regarding your obligations to the Club under its Constitution, By-Laws, playing rules and grading policies. These are available on the following link:

<http://www.tingaranetball.com.au/policies--governance.html>

5. Frequently asked questions are answered at the following link and these will be updated during the season if any further information is requested:
