PRESIDENT'S REPORT

As game 1 approaches, there is a long list of gratitude to share before the season officially commences.

A huge thank you goes out to our incredible Committee, who have worked tirelessly during the off-season to ensure everything is set for game 1.

Our Term 1 NetSetGO program concluded on Friday 22 March, boasting a record-breaking 38 participants this season. A special shoutout goes to our fantastic coaches: Sophie, Amy, Sophie, Claudia, Florence, Madelyn, Montana and Caris.

Thank you to everyone who attended and contributed to making our Club Welcome Day a success. It was wonderful to see so many families enjoying the range of activities, and we were delighted to welcome our life members and treat them to a special afternoon.

With 47 Tingara teams this season, I want to give a massive shoutout to every coach and manager who has volunteered their time to support a team or two. We truly appreciate the dedication that goes into planning the weekly training sessions and managing game day rotations.

Lastly, a big thank you to all our players. It's been fantastic to see many of you at training over the past two weeks. Brentwood Primary School and Karoonda Reserve have been abuzz with chatter, laughter and plenty of netball.

Good luck for the 2024 season and Go Tinnies!!

Katie Fairhall,
President, Tingara Netball Club

TINNIES *talk*

Welcome to our first edition of Tinnies Talk for 2024!

Nickname: Elly

Date of birth: 04/03/1999

Height: 176cm

Playing position: C

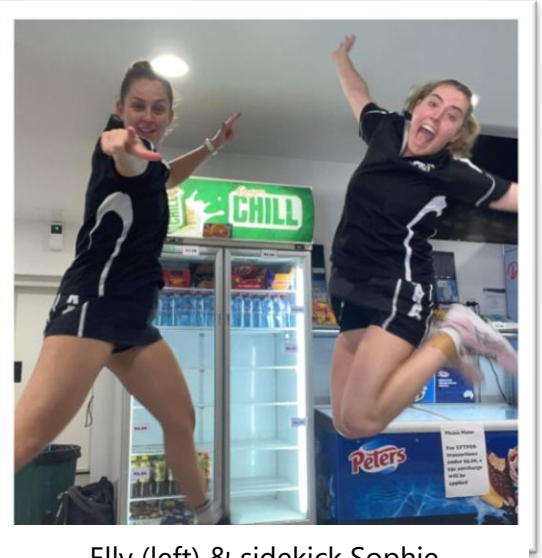

Years at Tingara: 14 years!

Grade in 2024: A2

Tell me about your netball journey to date:

I started playing netball for my primary school in year 3 and was so keen to play because it meant I didn't have to go to my brother's Auskick anymore!

I started playing with Tingara after finishing primary school because it was our local club and I'm so glad I did, because I've made so many great friends through the club! I was originally a circle defender but transitioned to centre court because I got told I was too short to be in the circle when I was playing for Coastal Sharks. Centre was a shock to the system but I love it now and think it's probably the right fit, although any chance I get I'll always try to sneak in to shoot at training.

Elly (left) & sidekick Sophie

Can you summarise your netball style in one sentence?

Very, very competitive and sometimes considered 'physical'.

What has been the biggest lesson you have learnt on the netball court?

It's probably very cliché but it's to always be there for your teammates, and also that everyone makes mistakes so not to get too down on yourself.

What is your favourite Tingara memory to date?

Winning the JA1 competition; we had a massive rivalry with Attadale all throughout juniors and this was the first grand final we won and walked away with the big trophy. My mum was also my coach, so it was nice to share that with her.

What is your game day pump up song?

I don't have a consistent one, but I think B.O.T.A (Baddest of Them All) got a good run last year. Most of the time it is anything on the radio I can sing along to and not think about the game.

How do you celebrate a big win?

Straight away I'm a sucker for high fives and probably a few hugs on court with all the emotions running high. Then I like to celebrate with my friends and have a few celebratory drinks with a thorough game debrief going over all the highlights!

Best piece of advice you have ever received (for life in general)?

If it doesn't challenge you, it won't change you.

Most famous person you've ever met?

I haven't met anyone super famous, so I'd have to say Adam Treloar and Josh Dunkely (Western Bulldogs players at the time) at Metros Freo following their Grand Final loss in 2021.

Which 3 famous people would you invite to a dinner party?

Margot Robbie, Ryan Gosling (Barbie + Ken) and Ryan Reynolds. I think it'd be a funny dinner.

What's your netball goal for 2024?

To win a flag!! I've never won one in seniors so it would be so good and I just want to wear my medal to the windup!

Lastly, I'm sure many of our readers will be very interested to know: how do you go to Europe every netball season but manage to stay so committed to the Tinnies?

For the record, I have only been once to Europe during netball season but it definitely involved sending messages to get game results at crazy hours and pictures back and forth on training nights to stay in touch with the team. I love the club and the culture we have going on so it's hard not to stay committed. I don't know if anyone will believe it, but I missed it a lot while I was away and I honestly don't know what I'd do with my Saturdays from April-September if I didn't play.
