

TINGARA NETBALL CLUB NEWSLETTER AUGUST 2021

President's Report

Even as we shiver through another chilly Brentwood Primary or Gibson Park training evening, run for cover during a torrential storm during a Saturday game and spend the week drying out wet shoes, it's hard not to acknowledge how lucky we are to be out and playing netball.

It's an opportune time to acknowledge the dedication, enthusiasm and talent of our fantastic coaches at Tingara. On any given night, foregoing curling up in bed to watch the latest Bachelor episode (or Olympic feat), they are putting their all into helping their team be the best they can be whilst having a great time. You would be hard pressed to find a more impressive army of volunteers anywhere!

Thank you to all who attended the Tingara quiz night at FNA. Seeing a broad cross section of the club enjoying themselves (despite not knowing many answers!) reinforced what a tremendous, inclusive club we are part of. The organisers, led by committee members Katie Fairhall and Amy Hawkes, deserve every accolade and have us eagerly anticipating what's next!

We look forward to seeing you all out on the assuredly more balmy Saturdays ahead to complete season 2021!

Go Tinnies!

David Vyse,
President, Tingara Netball Club

A Big Thank You

Every week there are teams in need of a fill in or two (or more), due to players being injured, unwell or away with other commitments. This season we have had more than 50 different players fill in or sit on the sidelines just in case they are needed, some of whom have only been asked during their own game to stay for another one.

Thank You

It is wonderful to see all these players accept the opportunity to play and give it their all for other teams, even on those very cold and wet Saturdays. We would like to thank you all and say how proud we are to have such a strong club spirit at Tingara.

Quiz Night Success

The 2021 Tingara Quiz Night was a massive success!! It was our largest social event so far, with 18 tables and over 150 attendees, such an amazing turn out. Well done to team Know Eye-Deer for taking out the top prize.

Thank you to everyone who donated prizes for the raffle and silent auction. A special mention to the following businesses for their support: Salt Property Group, Baker Suriano Real Estate, Armando Sports, Coco Belle, The Dinner Planner, Fernwood Melville, Heaven's Beauty, Gage Roads, MB Collective, F45 Booragoon and Peak Pilates.

Also, a big congratulations to Graeme Pratt who won a 2022 season membership for his daughter, Luka, in the champagne raffle. This year was Luka's first year at Tingara playing in our Set White team, and she is the grand-daughter of former Tingara President - Barry Carter.

The committee would also like to acknowledge the hard work of committee member Amy Hawkes and Vice President Katie Fairhall for all their hard work putting this event together.

Team Windups

A reminder to save the date for our end of season windups:

NetSetGo- Friday 3rd September at Jungle Gym

Juniors- Sunday 19th September, at Tompkins on Swan

Seniors- Saturday 18th September (FNA grand final day) at The Left Bank

Team Photos

Check out our latest round of team photos. Team managers, if you haven't yet sent in your team photo, can you please do so and send to nicolechapman@westnet.com.au.

Filling Out of Scorecards

Just a quick reminder to those scoring each week to please mark the boxes on the scorecard to indicate whether a player takes the court at each quarter. FNA has requested we please remember to do this as it is essential for record keeping purposes.

Filling out of positions is the preferred method of completing this part of the scorecard, however a tick indicating a player took the court is sufficient if the positions cannot be filled out.

Congratulations!

Congratulations to Tingara players Chloe, Sophie, Gemma and Jolie for being awarded their C badges in umpiring. A great achievement, well done!

Netball WA Research Project

NWA are currently recruiting for participants for a research project. All participants will receive GA ticket to Fever for next year and go in the draw for a catered court side box.

The project looks to understand why people currently play netball, stop playing and how they can make it easier. It will also explore their experience across specific activities such as trials to selection and how they can assist players, clubs and associations.

Interviews are 1:1 over the phone with Olivia from Marketforce. They are flexible with timing and happy to coordinate with those who are willing to participate. Please send your name, club name and availability to Olivia at ostone@marketforce.com.au or 0427 476 330.
