NEWSLETTER December 2020

President's Report

Hi Tingara Family

Wow, hasn't 2020 been a year we'll never forget! What it did remind us is how important connection and community are and how lucky we are to be part of the Tingara Netball Club and more broadly the netball community at Fremantle.

As we embark on the 2021 season preparation, I'd like to sincerely thank the outgoing Tingara management committee. Their amazing dedication, talent and hard work over the last year and years is what stands us in such solid stead moving forward. I'd also like to acknowledge and welcome our new committee members who have already brought with them great enthusiasm and energy.

We enter 2021 on a sound financial platform and are very happy to advise there will be no fee increase for the upcoming season.

On behalf of the Tingara Management committee, I'd like to wish you the very happiest, restful and safe time over the festive season and look forward to welcoming you all back to the courts in the New Year!

David Vyse,
President, Tingara Netball Club

2021 Sponsorship Opportunities

Tingara Netball Club is actively seeking sponsors. Details of sponsorship options available will be made available in the new year.

Please contact David Vyse, Tingara President on 0402 290 864 if you would like any further information.

Tingara NET Program

In term one of 2021, Tingara will be offering a NET program aimed at beginners aged 5 years and over, both girls and boys. The program allows the participants to experience netball, learn some netball specific skills and rules, whilst having lots of fun in a weekly session.

It is a great place to start for those too young to play in the SET tier or before committing to join a team for those unsure if netball is for them. Sessions will be on Friday afternoons at Brentwood Primary School from 5th February until 26th March.

For further information please contact Lynley Biancuzzo on 0488 388 714 or tingarajcc@gmail.com.

NEW Tingara Uniforms 2022

In keeping with promoting inclusivity at Tingara, we are looking to expand our range of options for playing uniforms for 2022 and beyond.

We are working with our supplier to keep our current design but add the option to play in a dress or shorts and top as well as our current skirt and top uniform. This would mean in any team; each individual player could choose to wear any of the 3 options.

Although it looks very likely our current uniform will continue to be used in 2022, there is a small chance it will change.

We understand that some players will need to purchase new uniforms for the 2021 season and may be hesitant to purchase new in case the design does change slightly, or they would prefer the dress or short option.

Tingara has a second hand buy & sell page linked to our Facebook page - [Tingara Buy and Sell](#). If members have uniforms that are no longer required or would prefer to buy second hand for this season, please feel free to advertise on this page.

As more information is available from our supplier, we will keep you updated.

**Last but not least, we wish all our Tingara members and families a wonderful Christmas!
We look forward to seeing you all for another great season of netball in 2021!**
