

TINGARA NETBALL CLUB

NEWSLETTER February 2022

President's Report

I'm sure you're as excited as we are that netball is revving up again in 2022. With grading sessions just around the corner, it's time to check your shoes, dig out your favourite training gear and look forward to catching up with old friends and making new ones.

The Tingara Management Committee has been working hard to prepare for 2022. The new Play HQ management system that has replaced MyNetball has been expertly navigated by our new registrar, Alistair Baron and a team of expert helpers. Senior pre-season training sessions on Saturday mornings have been attended with enthusiastic trepidation. Our Friday afternoon Term 1 Net program at Brentwood Primary has again proved very popular, with a big group of excited future Diamonds hitting the courts with vigour!

The buzz around our new uniform options including that much awaited dress and an option to wear shorts is reaching fever pitch. It will be fantastic to enable players in any side to wear whatever ensemble they like.

We're eagerly awaiting the promised work on the Brentwood courts to commence. This work is being coordinated by Brentwood Primary School and the Department of Education and we are hoping to have detailed plans and a timeline of works shared with us soon.

We're very confident that despite whatever COVID 19 or anything else throws at us in 2022, Tingara will have a super season full of on and off court fun. Bring it on!!

Go Tinnies!

David Vyse,
President, Tingara Netball Club

Seniors Pre-Season Training

Senior players have been put through their paces early this year with senior coach Zoran running a series of pre-grading training sessions over the past month.

A big thank you to Zoran for his time and effort in putting these sessions together and getting everyone as ready as possible for grading and the season ahead.

Junior Pre-Season Training

Tingara likes to give their players every opportunity to perform at their best during trials. For those participating in the upcoming FNA selection trials, a special training session was held on Friday 4th February.

All other junior players have been invited to attend one or both pre-grading training sessions. We have had 100 players register to attend! It's not too late to register for the second session on the 10th of February. [Click here](#) to register for JD, JE, Go-F and Go-G grades and [click here](#) to register for under 17, JA, JB and JC grades. Bookings close 5pm Tuesday.

The aim is to get players back on the court, alleviate nerves and start thinking netball again. For players new to Tingara, this is a great opportunity to meet some other members in a fun and relaxed environment, prior to attending grading.
