PRESIDENT'S REPORT

Welcome to 2024!

It's exciting to see the return of familiar faces and welcome new members to Tingara this season. We can't wait to see you all take the courts over the next couple of weeks during grading and hope you enjoy catching up with old friends while making some new ones!

First and foremost, I would like to acknowledge our outgoing President, David Vyse. David has been at the helm of the club for the last four years and skillfully navigated the club through the challenges presented by the COVID pandemic, as well as being instrumental in the court resurfacing at Brentwood Primary School and Karoonda Reserve. David will still be a friendly face around the Club, already putting his hand up to coach again this season, as well as serving on the FNA executive. We also farewell Tara Pike in her role as Equipment Coordinator and recognise all she has done to organise and manage our equipment. Thank you, David & Tara!

And welcome to our new committee members – Dale Cameron (Equipment Coordinator), Karen Grant (General Committee, assisting Coaching Coordinator), Clare O'Connor (General Committee, assisting Umpiring Coordinator), Caris Anderson (General Committee, and Social Committee), and Madelyn Fowler and Cass Baron (Records Officers). With the combined efforts of our dedicated returning committee members and the enthusiasm of new additions, the 2024 season holds exciting prospects.

Now to introduce who I am. I've been involved with Tingara for 25 years, serving as a committee member for the past seven years, most recently as Vice-President. I'm still managing to take the court weekly, playing in our Open division and have a daughter playing in the U10 age group. I love the sense of community that our club embodies and hope to continue the great sense of camaraderie, positivity and team work as your President.

Our Term One Net Program has started with great enthusiasm, boasting an impressive turnout of 37 future Diamonds hitting the courts on Friday afternoons. Additionally, we conducted a training session for girls invited to the final phase of FNA rep team trials and a pre-grading training clinic for our younger members. It's hard to believe we're only in the first week of February.

A calendar bursting with exciting club activities awaits us, starting with our Club Welcome Day and Life Members Sundowner on Sunday 24 March. We can't wait to see you all there!

Katie Fairhall,
President, Tingara Netball Club

PRE-FNA REP TRIALS TRAINING

Tingara ran a special training session for girls U12-16s last Friday to help them as they prepared for their phase 3 rep team trial at FNA this week.

Wishing the girls best of luck for the trials. We certainly enjoyed their enthusiasm, interest and attitude at the training session.
