

TINGARA NETBALL CLUB NEWSLETTER JUNE 2021

President's Report

I hope you survived the last couple of Saturdays in the rain. Winter did look like it was setting in early! I love using it as an example of how tough our players are - they all show true grit.

Since the last newsletter, we collectively celebrated Volunteers Week. It is a great opportunity to acknowledge and thank the amazing army of tireless volunteers we have at Tingara. Coaches, managers, sponsors, parent supporters, committee members and those who help in countless other ways. Thank you all so much.

One group of club members I'd like to specially acknowledge are our fabulous umpires. Our Umpire Coordinator, Keryn, runs a selection process each year to identify junior players who are then trained at grading and clinics before being carefully mentored by more senior club coaches before graduating to umpire solo on Saturdays.

It's a careful balance of nurturing new umpires whilst providing excellent umpiring for games. In a game as passionate as netball, stepping up to umpire with whistle in hand, faced with eager players and sidelines full of our amazing supporters is scary for each and every one of them. We're all so proud of their courage, skill and knowledge. I thank you all for your consideration and support as they continue on their journey of umpiring development. We also have a super team of experienced umpires who Keryn coordinates each week to provide a safe, well controlled and fair environment on game days. We truly are lucky to have them all!

The Tingara committee are enthusiastically preparing for our club quiz night at FNA Hall on Saturday, July 24. The quiz masters have a huge night of head scratching planned for us. We'd love to see everyone there!

To those players representing FNA at the Association Champs, we wish you good luck. I have no doubt you'll be superb. To everyone else, I hope you can find something to fill your Saturday until the following week's game!

Go Tinnies!

Member Spotlight- Congratulations Claire!

A big congratulations to Claire Ryan (pictured far right) for being announced in the Emerging Talent Program of the 2021 State Umpire Squad!

Tell us about the program and what it means to you?

The Emerging Talent Program is a tier of the WANL (WA Netball League) state umpire squad program which provides me with the opportunity to watch and learn from more experienced and professional umpires than myself, as well as being able to develop my skills whilst umpiring. I am very honoured to have been selected for this program as the coaching and support from the WANL state umpire squad members and coaches has created a wonderful environment for me to develop my umpiring and make me feel a part of a big umpiring family!

How long have you been with Tingara? What are your favourite moments?

I have been with Tingara for 12 years now and I think my favourite moments would have to be training and game day with my team. I am passionate about umpiring, however, I love being a part of a team and building relationships. I have made many relationships with teammates and coaches that I still have today and the main thing that has brought us together is being a part of Tingara.

What do you love about umpiring?

Before every game I umpire, no matter the level, I always get nervous. I think the nerves I get is why I love umpiring as it challenges me and pushes me out of my comfort zone, whilst also giving me a sense of responsibility to the players to ensure that the game is fair and played within the rules. Just like playing a cracka game of netball, there is no better feeling than when you feel as though you have umpired well.

Any funny stories or wise words you'd like to offer?

I don't think this is funny, but the first time I went for my C badge I cried during the game and someone had to take over umpiring for me. I think from that moment on I realised what an important role umpires have. I think sometimes people forget that if you are getting annoyed at the umpire or not, they are one of the groups of people facilitating the game for you. I think it is important for everyone to have a go at umpiring, even if it's just a few games, as it makes you realise the expectations that are put on an umpire to see and address in a few seconds.

And a little bit about yourself too – what you're studying, hobbies etc.

I am currently in my third year of a Bachelor of Biomedical Science and Commerce at Notre Dame. When I am not umpiring, or playing netball, I am most likely exercising or down at Cioccolato drinking coffee. Despite the cold and the rain, I really enjoy the netball season and how it brings us all together on a Saturday. I am very proud to be a member of Tingara and am looking forward to many more games ahead!

Team Windups

A reminder to save the date for our end of season windups:

NetSetGo- Friday 3rd September at Jungle Gym

Juniors- Sunday 19th September, venue TBA

Seniors- Saturday 18th September (FNA grand final day) at The Left Bank

Long Weekend Bye

Just a reminder that there are no games this Saturday the 6th of June as there is a bye for the long weekend.

We hope you all have a wonderful and safe long weekend!
