

## TINGARA NETBALL CLUB NEWSLETTER March 2022

---

### President's Report

Hi everyone,

We were very excited to welcome new and returning players back on court for pre-season training and grading over the last few weeks. Every new season is different, but enthusiasm and warm smiles (as well as a few aching muscles) are ever present. It immediately makes all the hard grind of committee work in the off season worthwhile.

A huge thanks to Fiona Fowler (Grading Coordinator) and her fantastic team of head graders and graders for their great work. Needless to say, it is a tough (impossible!) task to grade over 400 players into balanced and fair teams. Rest assured, they leave no stone unturned to ensure every player is placed as well and fairly as possible.

A first look at the range of new uniform options has been hugely positive. We think the players look superb in the trial outfits and can't wait to see them on game day. Anna Hocken, Uniform Coordinator and Katie Fairhall, Vice President continue to work tirelessly to make the magic happen!

This year, we are very lucky to have a number of new and returning sponsors at Tingara. I'd like to make special mention of our new platinum sponsor, Good Grocer Mt Pleasant and gold sponsor, Atrium Homes. Their generous sponsorship will enable us to provide a number of great initiatives for players and members.

We are still waiting to hear details of the refurbishment of the courts at Brentwood Primary School. These works are being managed by the school and the Department of Education, but as soon as we have any information to share, we will! We are hopeful that disruption to training will be minimised but are working on contingency plans if required.

The uncertainty of the impact of COVID 19 continues to loom. Both at Tingara and Fremantle Netball, the focus of work is on playing as much netball and providing as much social activity as possible whilst keeping everyone safe. We're confident that we can have a great season in 2022!

We look forward to seeing everyone at the 2022 pre-season Intraclub Day at FNA on Friday, April 1. For the first time this will be a twilight event, which promises to be both fun and memorable.

Go Tinnies!

David Vyse  
President, Tingara Netball Club

## Grading Wrap Up

Grading is complete and teams have been sent out! (Please check junk mail if you can't see it).

Thank you to all players for their effort and enthusiasm over the last few weeks. All graders were very impressed by the great skills shown on the netball court.

Thank you to the Head Graders for their diligence and careful consideration when carrying out the grading sessions and setting our teams. These people put in many hours to ensure that teams are well balanced and that every player is placed in a suitable team.

Thank you to Nicole Chapman, Amy Hawkes, Katrina Treleven, AJ Camarda, Terri Nielsen, Lynley Biancuzzo, Narelle Read, Marg Flowers and Christie Stipinovic. Thank you also to the many graders that assisted during our grading sessions, your input is invaluable. Thank you to Keryn Rae and her band of willing umpires. We would not be able to hold our grading sessions without the help of our umpires who keep the games running without any fuss.

Well done everybody and I really look forward to seeing you all out on the court very soon!

-Grading Coordinator, Fiona Fowler.

## 2022 Sponsorship Update

### The Good Grocer Mount Pleasant

Tingara is proud to announce our first ever **Platinum sponsor** of the club as **The Good Grocer, Mt Pleasant**. They have made a 3-year commitment to our club. We are super excited to have Holly Brindle, General Manager - Marketing at the Brindle Group, and who was also a previous player at Tingara, come back and support our members through sponsorship. We look forward to working alongside The Good Grocer at their new store in Mount Pleasant.

The Good Grocer is a well-respected, independent and innovative grocery retailer in our local community located in Applecross and South Perth, and we would all know them also as operating IGA Canning Bridge, Myaree and now Mt Pleasant. The Good Grocer are committed to supporting our members and we look forward to sharing some exciting news with you soon. What we can say at this stage, is that we envisage all our players will be looking very professional this season!!

This is a wonderful opportunity for Tingara, and we thank our Platinum sponsor for their support of both Junior and Senior Teams. Welcome, The Good Grocer.

### Atrium Homes

Our **GOLD sponsor** for 2022, 2023 and 2024 is **Atrium Homes**. We are so grateful to be supported by Daniel and three generations of Marcolina family. Atrium Homes build amazing, award-winning luxury homes and are located in Ardross. They have over 50 years of building experience and pride themselves on quality construction, attention to detail and pride in workmanship.

This sponsor is behind supporting all our amazing coaches and we welcome Atrium Homes to Tingara Netball club. This is a new sponsorship opportunity that Atrium were happy to be a part of, and we are excited to let you know that we will have all our coaches wearing new merchandise proudly sponsored by Atrium Homes as the season begins. We will keep you posted of our progress, and of opportunities we can give our coaches access to, ensuring your own development and fostering our player's continued love of the game.

# TINNIES *talk*

Tinnies Talk is new section of the newsletter where we interview a member from the club each week to find out more about some of the Tingara superstars.

This month, senior player and committee member Sophie Walker interviews Claudia Rich (daughter of former player, coach and now team manager extraordinaire, Lisa) to find out more about her netball journey and why she is so passionate about giving back to the club.

**Nickname:** Clauds

**Date of Birth:** 05/12/2002

**Height:** 172cm

**Playing Position:** C/WA/WD

**2021 Team:** Tingara Senior Team 3 (SA4)

**Years at Tingara:** 10

## **Tell me about your netball journey to date**

*I have played netball for over 13 years, and I started at my primary school with one of my closest friends. My mum has also played many years at the club (a little while ago) so she was also one of the reasons I started playing. Over the 13 years I have won multiple grand finals with different team members including the JA1 final.*

## **What is your favourite Tingara memory?**

*My favourite Tingara memory was winning my first ever grand final in JE6 with my mum as the coach as well as winning the Pat Marsh Award last year.*

(The Pat Marsh encouragement award recognises a player's courage, determination, consistency, teamwork or other special characteristics over the course of the season or a number of seasons.)

## **You do so much for the club Clauds, what did winning this award mean to you and how would you encourage others to get involved at Tingara?**

*Winning the award was a very special moment for me. I love the club so much and always enjoy taking part in all aspects of it. When I chose to coach I did it because I love teaching others to play the game I love and being able to share your knowledge and experience with younger players is a powerful thing that everyone should be able to experience and be a part of. I would encourage everyone who wants to, to get involved because some of the most rewarding moments come from coaching or umpiring.*

## **What is your pre-game routine?**

*My pre-game routine consists of having a hot shower to warm my muscles, then quickly turning it on cold. I then have a banana before each game whilst listening to my pump-up playlist.*

## **Picture this, your team has just had a huge win. How do you celebrate after the game?**

*My celebration consists of giving big hugs to my teammates and going home to cut the dead skin off my blisters.*

## **Tingara has a number of new uniform options this year, what will you be playing in?**

*The new dress of course!*

### If you hosted a podcast, what would it be called?

*How to Become the Favourite Child.*

### Who is the most famous person you have met?

*Kelly Slater (WSL Surfer)*

### What are you studying?

*Biomedical Science at UWA*

### What song always gets you on the dancefloor?

*Anything Abba!*

### Last question - it's the grand final and your team is down by 1 point going into the last quarter. What pump up do you give your team to get them over the line?

*It's now or never girls. Today's our day we only need to be up by 1.*
