NEWSLETTER
MARCH 2024

PRESIDENT'S REPORT

Since our last newsletter, a whirlwind of activity has us excited for what the 2024 season will unfold.

Grading faced a one-week delay due to scorching heat, a decision that was met with collective relief and gratitude. We extend our thanks to all for accommodating this change and ensuring attendance at the rescheduled grading sessions. The courts buzzed with chatter, excitement, and energy once we finally stepped onto them.

Teams have now been announced and we're busily securing coaches and managers to each of our 48 teams. If you're eager to volunteer in either of these capacities, please reach out and let us know.

As we prepare for the season ahead, effective communication remains vital. While our monthly e-newsletters and website serve as valuable resources, don't forget to follow us on Facebook. Following us there ensures swift access to Club news, events, and announcements, keeping everyone abreast of all things Tingara.

Make sure to mark our Club Welcome Day in your calendar – Sunday March 24th, 3pm. We don't often have the chance to gather the entire Club and are looking forward to seeing you and your families there.

President, Tingara Netball Club

GRADING WRAP UP

Thank you for the enthusiasm, effort and patience throughout our recent grading trials. Grading is a culmination of the pre-season grading trials, as well as taking into account in-season observation during the 2023 season and feedback from coaches. This comprehensive approach ensures that our graders can make the best possible informed decision after viewing the trials in 2024.

A huge thank you must be made to our 45+ volunteers that include head graders, graders, umpires and all the others who work behind the scenes. These incredible people devote a huge amount of individual time and effort to make this process happen.

Team lists have now been sent out via email and you should receive an email from your coach within the week confirming training times. Training will commence the week starting the 25th March.

If you are interested in coaching, please contact our Coaching Coordinator, Nicole Chapman – tingaracoaching@outlook.com
