#### Important Information:

1. **Tingara and Fremantle Netball Association (FNA)** have been able to **maintain their fees** from last year – a fantastic effort and recognition of the current cost of living pressures.
2. Senior players and junior/U18 parents are expected to assist the club and will be asked to indicate during on-line registration where you can make a contribution to the Club as an umpire, coach, manager etc.
3. Please note there is a fee reimbursement for players who also coach or assistant coach other teams – this occurs at the end of the season and is for an amount of \$XX.
4. Tingara is a “grading, training, playing” club. Hence, it seeks to grade the strongest team possible in each grade and players are required to commit to training and playing every week.
5. Late registrations, including returning members who have not registered in time, will be placed on a waitlist for team selection. We may be able to open up additional teams if we have enough interest and waitlist numbers – please contact our Club Registrar to discuss.
6. If you are facing challenges paying the fees there are options available for cases of **financial hardship** – please contact our Club Registrar or Treasurer for a confidential discussion to explore your options.
7. Before completing the Club player on-line registration process, please read the terms and conditions carefully, particularly those regarding your obligations to the Club under its Constitution, By-Laws, playing rules and grading policies. These are available on the following link:
